## Education

- ❖ **2014- 2019:** Ph.D. in Health in Disasters & Emergencies, Department of Disaster Public Health, School of Public Health, Tehran University Medical of Sciences, Tehran, Iran.
  - **Title of Ph.D. Thesis:** Investigating the factors Affecting Death Due to Flood in Iran.
- ❖ **2009- 2012:** M.Sc. in Epidemiology. Tehran University of Medical Sciences, Tehran, Iran,
  - **Title of M.Sc. Thesis:** Understanding people opinions about the impact of ethnicity on health and healthcare providers and practices, its effect In Marivan, Sanandaj and Tehran, Iran during 2010 -2011.
- ❖ **2003- 2007:** B.Sc. in public Health, Shahid Beheshti University of Medical Sciences, Tehran, Iran.

## Research Interests

- ❖ Disaster Epidemiology; Climate Change and Health; Environmental Epidemiology; Health in Disasters and Emergencies; Risk Perception and Communication; Disaster Medicine

## Membership and Affiliation

- ❖ Iranian Scientific Association of Health in Emergencies and Disasters.
- ❖ International Epidemiology Association (IEA)
- ❖ Iranian Epidemiology Association (IEA)
- ❖ Iranian Public Health Association (IPHA)
- ❖ National Advisory Council on Disaster Risk Management in Ministry of Health and Medical Education in IRAN
- ❖ Member in Health Committee and secretary of the Health Committee in the disaster, Kurdistan University of Medical Sciences,2014- 2020.
- ❖ Head and member of committee from house-to-house polio immunization education and awareness plan, Kurdistean University of Medical Sciences,2013-2014.

- 
- ❖ Member of the Scientific Committee to prevent and reduce the effects in 7th, 8th and 9th health in disaster and emergency congress. 2016,2017, 2019.
- 

### Work and professional Experiences

- ❖ **Assistant Professor** in Department of Health in Emergencies and Disaster, School of Medicine, Kurdistan University of Medical Science, 2019-Present
  - ❖ **Head of disaster Management and Risk Reduction Office**, Health Department, Kurdistan University of Medical Science,2012 – 2020.
  - ❖ **Editorial Board Member** of the Shenakht journal of Kurdistan University of Medical Sciences, Sanandaj, Iran. 2016-06-21 to 2017-11-22.
  - ❖ **Main Researcher** in Disaster risk assessment in the health network in the province as a whole, Health Department, Kurdistan University of Medical Science,2013
  - ❖ **Head of the Disaster Management Committee** of the Vice Chancellor for Education, Kurdistan University of Medical Science,2012 – Present.
  - ❖ **Head of Social determinants of Health (SDH) Office**, Health Department, Kurdistan University of Medical Science,2012 – 2015.
  - ❖ **Research Expert** in Social Determinants of Health Research Center, Research Institute for Health Development, Kurdistan University of Medical Sciences, Sanandaj, Iran, 2012 – 2014.
  - ❖ **Health Expert in Phenylketonuria (PKU) program** in non-communicable diseases' unit in Health Centers in Marivan in Kurdistan,2009-2012.
  - ❖ **Health Expert in Thalassemia program** in non-communicable diseases' unit in Health Centers in Marivan in Kurdistan, 2009-2012.
  - ❖ **Radio Interview** to Educate the Public About Thalassemia and Intestinal Diseases
- 

### Awards and Honors

- ❖ **First rank** in national examination in PhD in Disaster & Emergency Health in Iran, 2014
  - ❖ **Third rank** in national examination in M.Sc. in Epidemiology in Iran,2009
  - ❖ Outstanding national Student (Ph.D.), award of National Elites Foundation in Iran, 2016.
  - ❖ Establishment of a Department of Health in Emergencies and Disaster in School of Medicine, Kurdistan University of Medical Science, 2019.
- 

### Skills

- ❖ Research Skills: Scientific Research; Qualitative & Quantitative Research Methodologies; Independent Research; Literature Reviews; Systematic Reviews, Article Reviewer
  - ❖ Epidemiology: Cross Sectional Study; Case-Control Study; Disaster Epidemiology; Biostatistics; Public Health
  - ❖ Design and Project Management: Research Design; Designing and Psychometric Assessment of the Questionnaire; Scenario Design; Exercise and Drill Design; Incident Command System (ICS) Design; Proposal Writing.
  - ❖ Disaster and Risk Management: Emergency Medical Services (EMS); Disaster Response Plan; Emergency Medicine; Emergency Management.
  - ❖ University Teaching; Public Education
  - ❖ Microsoft Office: Word; Excel; Power Point; Access
  - ❖ Statistical analysis: IBM SPSS;R; Python; Data Entry and Analysis; Regression Analysis; Logistic Regression; Linear Regression; GIS
  - ❖ Problem Solving; Communication.
  - ❖ Language: Kurdish and Farsi (Native); English (Good)
- 

### Book Chapters

- ❖ Contribution to the co-authorship and translation of " Hospital Safety Assessment Tools for Emergencies and Disasters" by Dr. Ardalan, published by Azar Barzin Publications.
-

- 
- ❖ Contribution to the co-authorship of the reference book "Climate Change and Health" by Dr. Ali Ardalan, published by Nashr-e Honar va Olum-e Daneshgahi Publications.
  - ❖ Contribution to co-authorship of the book "Social and Psychological Supports in Disasters" by Dr. Ahmad Ali Norbala, published by Teimorzadeh Publications.
  - ❖ Contribution to co-authorship of the book "Health System Lessons Learned in Arbaeen Hosseini of 1394" by Dr. Ali Ardalan, published by Azar Barzin Publications.
